*We are an active branch of mixed age range and our annual programme of meetings includes a variety of interesting speakers.*

*We arrange visits to places of interest, a five day holiday, theatre trips and various other events. There is also an annual summer outing, Christmas lunch and a group that arranges monthly walks in the surrounding countryside ending with a pub lunch.*

*New members are always welcome.*

*We foster the community support of members through active welfare and birthday remembrance, which is good for people living on their own*
