We have an enthusiastic membership which enjoys both the regular meetings and the social events. Our meetings this year have included a fascinating talk on stage coaches, illustrated by a selection of perfectly scaled coaches from the Royal Collection and another on the history of the Amersham martyrs.

We are lucky to have a very keen Events Secretary who has planned, among other things, a Christmas lunch at Waddesdon Manor and a trip to Stratford-upon-Avon. We also have a panto visit arranged for later this year

We keep in touch with members and offer support and visits from our Welfare Officers when members are incapacitated.

The committee meets on a regular basis to ensure the smooth running of the branch

New members are warmly welcomed at our meetings which help keep former colleagues in touch and provide a chance to form new friendships
