The branch is HUDDERSFIELD, but we are now the only branch covering Calderdale and the whole of Kirklees (including Dewsbury), our local hospital Trust is the Calderdale and Huddersfield NHS Foundation Trust, which includes Halifax. The local PCT is the newly formed Kirklees PCT, which covers Dewsbury and Huddersfield. Mental health is covered by the South West Yorkshire Mental Health NHS Trust, which covers Calderdale, Kirklees and Wakefield. The Ambulance service is now a Yorkshire County wide trust.

The venue is in the Huddersfield town centre some 250 m from both the Bus and Rail Stations.

In addition to our meetings with speakers, we have walks, theatre visits and holidays.
