Independent Financial Advice brings new members and special deals

The Fellowship is pleased to announce it has recently teamed up with Affinity Financial Awareness, the 58th largest IFA in the UK, which specialises in advising public sector employees approaching retirement. Their friendly but professional Advisers are based throughout the UK so can offer you a convenient local service wherever you may live.

Members of the Civil Service Retirement Fellowship, with which the Fellowship also recently teamed up with, have benefited from this service for many years, receiving individual advice and invitations to attend free, useful and interesting seminars, and periodic discounts, all of which are now open to NHS Fellowship members including a special price for Wills and Lasting Powers of Attorney.

In addition to individual advice they offer pre-retirement and redundancy workshops delivered by their training division, Affinity Connect, and it has been agreed that new members will be generated for the Fellowship through these workshops, a practice which they have successfully carried out for the Civil Service Retirement Fellowship for many years. At the time this article was written they had already generated 159 new member enquiries nationally.
