"Poole is a beautiful place" so the advertisements for Poole tell us. Many of our members have worked in Poole and live here or in the surrounding area.

Our programme of speakers is varied and covers a wide range of interesting topics. Being in a beautiful area we have the choice of outings to the coast, New Forest, Purbeck Hills and other venues as well as trips to theatres both in Poole and Bournemouth

Our monthly meetings are held in Poole Hospital where members enjoy seeing previous colleagues and making new friends
