How do you see the Fellowship?

What images of the Fellowship would attract new members?

The NHSRF Photography Group is calling for digital photographs from members that show what the Fellowship has to offer; perhaps a leisure activity, members socialising, volunteering, walking, taking photographs, playing golf - whatever you think would be interesting to potential members.

Every picture that is used by the Fellowship in promotional leaflets, the website, or other publicity materials will attract a £20 gift voucher for the photography member.

Email your digital pictures to Photography Co-ordinator, Anthea Zell: photography@nhsrf.org.uk

Important small print:-

Photograph(s) must be the original work of the member

By submitting images to the NHSRF, the member confirms that:

- a) they are the sole author of the image and that it is their original work;*
- b) they own the copyright and any other intellectual property rights of each image;*
- c) they have the permission of those pictured in the image (or, where the image shows any persons under 18, the consent of their parent/guardian) for the usage rights required and will indemnify the NHSRF against any claims made by any third parties in respect of such infringement;*
- d) they have not licensed or otherwise disposed of any rights in the image that would conflict with uses to be made by the NHSRF;*
- e) they have received any necessary permissions from the owner(s) of buildings included in submitted images for the usage rights required by NHSRF and will indemnify NHSRF against any claims made by any third parties in respect of such infringement.*
- f) By submitting digital images, you grant the NHSRF a non-exclusive, royalty-free right to reproduce, enlarge, publish or exhibit, on any media whatsoever, the images for any purpose connected with the charity and promoting the NHSRF. This may include, but is not limited to:*
 - inclusion on the website of the NHSRF (www.nhsrf.org.uk) and other online displays;*
 - exhibitions at annual/regional conferences and meetings;*
 - for use in press releases to be distributed to national, regional and specialist media giving information about, or promoting the NHSRF;*
 - inclusion in promotional material and publicity for the NHSRF.*

Members will retain copyright to the photographs that they submit to the NHSRF. No fees will be payable for any of the above uses. While the NHSRF makes every effort to credit photographers, including due acknowledgement in printed reproductions of their work, we cannot guarantee that every use of the photographs will include photographers' names.

The NHSRF Photography Group is open to all members of the Retirement Fellowship. For information about the group contact Anthea tel: 01520 722951 or email: photography@nhsrf.org.uk
