The South Bedfordshire NHS Retirement Fellowship is now in its 4th year. Our branch membership continues to grow. With so many activities competing for members' leisure time we are pleased to report that we are now a group of 68 members. We are currently planning a recruitment drive with the aim of doubling our membership. The local NHS Trusts are generally very supportive and have promised to assist us with our drive to recruit new members; they also provide tea and coffee and the technical equipment for our meetings, which so enhances the presentations our speakers make

As well as having visiting speakers we also enjoy trips to stately homes, grand gardens, meals, walks and an occasional trip to the bowling alley. Although the programme is agreed by the branch, we would welcome new ideas and suggestions from any new or existing members.

If you are free and would like to link up with old friends and colleagues we would be very pleased to welcome you to our branch meetings. The cost of membership is just £12-00 a year.
