We are a lively branch and have a membership of 74. Our meetings are well attended.

Our programme consists of speakers, social meetings and outings, either to the theatre, TV studios or other interesting venues. After each meeting we have lunch at a local pub - a different one each time.

Our Christmas lunch is held at a local Golf Club and is very well attended

In 2008, we celebrated our 10th anniversary with a lunch at a local venue

We also host the South East Regional meeting twice a year which gives us and other branches a chance to meet up and renew old and new friendships

Should you wish to join us, just turn up at any meeting and you will be assured of a warm welcome
